Mt. St. Mary Academy, the educational ministry of St. Patrick Parish, was established in 1859. Our mission is to serve families primarily of the Catholic Communities of St. Patrick, St. Canice and St. Dominic as well as families of other faith traditions and surrounding communities. Recognizing that parents are the primary educators of their children, we collaborate to educate our students to achieve their potential in the areas of faith development, academic excellence, social awareness and emotional growth. We exist to inspire and motivate our students to recognize their call to be responsible, faith-filled leaders in the reality of today's multicultural and diverse world.

Christian Encounter High School

Christian Encounter High School was started by CEM in 1977, and exists solely to serve the residents of CEM.

We are duly registered with the state of California and teach traditional courses with classes no larger than twelve. Those students who complete their requirements with us receive a CEHS diploma. If it is the best option, through our regular classes, we occasionally prepare a student for the GED tests. This is very unusual, as most students are able to get their diplomas.

Love and individualized attention are the hallmarks of our dedicated staff, who consistently emphasize excellence, discipline, good attitude, and thorough completion of each assignment. Our primary goal for each student is a healthy, growing relationship with Jesus as Savior and Lord. As this foundation becomes solid, growth in motivation, discipline, knowledge and Godliness carry over to the classroom.
